

PERFORMANCE CERTIFICATE

Certification addressed to:

Master Italia S.p.A.

Via Giorgio La Pira, 19, 30027 San Donà di Piave, Venezia

Based on the analytical results obtained, **Ritex** – Research and Textile Testing Lab – certifies that the performances indicate below, referred to the sample under evaluation, are supported by experimental evidences.

COMPONENT NAME	DRY TECH TECNOLOGY SWEATBAND	
PERFORMANCE	PHYSIOLOGICAL & MECHANICAL COMFORT	Level: GOOD*

Conclusion expressed on the basis of the comfort characteristics experimental established as:

- **water absorption** (AATCC TM 197), **drying performance** (RT 027-14), **antibacterial properties** (UNI EN ISO 20645), **mechanical comfort** (UNI EN 14704-1; Fast 1); and **color fastness** (UNI EN 105 B07; UNI EN 105 X12);
- in comparison with representative sweatbands present on the market in woven cotton and polyester fabrics.
